

Payment Options

AFSC offers payment solutions that make it easy to do your business, your way. Stay on top of your payments and avoid late fees by easily and securely paying bills online or choose a solution that works for you.

ONLINE

1 Visit your bank's website, login, and search for "add payee" or "new payee".

2 Add payee "Agriculture Financial Services Corporation". The payee name which your bank recognizes may vary, such as "Agriculture Financial Services" or "Agriculture Financial Services Corp".

3 If you have more than one loan or policy (subscription) with AFSC, you must set up a separate bill/payee combination for each subscription.

Account Number

4123456

4 Set up your bill/payee combination using your subscription number as the account/reference number, beginning with the first number after the zeroes. For example: Subscription number '004-123456' should be entered as '4123456'. Do not use your AFSC ID, as it is not a valid account/reference number.

Account Name

Tractor Loan

5 Depending on your bank, it may be possible to set up a descriptive account nickname for each bill/payee combination. For example: Crop, AgriStability, Tractor Loan.

IN PERSON

Visit any AFSC branch across Alberta. Go to AFSC.ca for locations and hours.

BY MAIL

Cheques* can be sent to your branch office or Lacombe Central Office:
AFSC, 5718 – 56 Avenue, Lacombe, AB T4L 1B1
