*** Contract Sales to forage processing plants:** If forage has been cut and delivered to processing plant before your taxation year end, and payment or partial payment has been received after your tax year has ended, do not record this on opening and/or closing inventory, but instead as opening and/or closing receivables.

Republished on June 2, 2025 to reflect a formatting update in silage pricing. All prices previously shown as whole numbers are now displayed with four decimal places for greater precision. No changes have been made to the pricing methodology or values beyond this formatting adjustment.
