Pasture Related Feed Costs - Reference Margin Information					
<p>Pasture related feed costs are an allowable expense starting in the 2026 program year. To ensure consistent treatment between the 2026 program year and reference years, participants must provide pasture related feed costs and any related accruals, if applicable, for each reference year. Expenses related to 2026 can be reported using code 586 on the 2026 Statement A or T1163. Participants enrolled with the Optional Reference Margin (ORM) are only required to provide the tax expense.</p> <p>Historically, pasture related feed costs should have been included on line 9811 – Rent (land, buildings, pastures) on the Statement A or T1163 for all years prior to 2026. Using your records, provide the historical information in the table below. For information about unpaid expenses or prepaid expenses, refer to the 2026 AgriStability Supplementary Forms Guide.</p>
